NOTE ON ALL OUR CALLING CARD USAGE !!

YourDialer Calling cards:

Our calling card has an access code between 9 and 11 digits that will allow you or our corporate or business partners and their customers call without a computer or internet.

To be able to make use of our Calling Cards/local access numbers, you will have to follow the following steps :

Step1: You have to start by placing a contact to our support to purchase a calling card,

Step2: Now, to use the card, you or your customer needs to call one of our above local access numbers.

He/she will hear some neutral instructions in English.

There are further other 2 steps for you or your customer fully get through:

- **Step3:** Enter the card access code and press the # button.
- **Step4:** Now Dial the number of the person you wish to call in international format (00 followed by country code and number: **For Example** if you are to call Switzerland dial: 0041765024616) and press the # button.

If you or your customer entered an incorrect code during **step 3**, he/she will be asked to try again to enter the code.

That is it, start enjoying a stressless life in all your calling.
